

Advanced Start-Up & Maintenance for Salt Water Pools

Guaranteed Perfection

PERFECT POOL GUARANTEE

(Manufacturer's Warranty)

Pristiva® was developed exclusively with the particular challenges of salt water pools in mind, using breakthrough technology new to the pool industry. We are so confident that you'll love your Pristiva Perfect Pool that we are backing it with the most comprehensive guarantee in the salt water pool industry. The Pristiva Perfect Pool Guarantee means:

- Clear water (no cloudy water)
- No algae *
- No staining to pool finishes below the water line
- No scaling to pool finishes below the water line
- Always made with pristine Nova Scotia salt

* Pristiva's Activator and Primer® are not algicides or algistats and do not kill algae. Normal sanitizer levels will prevent algae growth.

The Perfect Pool Guarantee is based on the proper use of Pristiva in the start-up and maintenance of salt water pools. If your Pristiva Perfect Pool experiences any issue covered by the Perfect Pool Guarantee, your professional pool retailer will provide you with up to \$100 retail value of curative products free of charge. Ask your participating professional pool retailer for details or see link below.
